MEMORANDUM FOR All Employees

SUBJECT: Environmental Management System (EMS), Commander's Policy Memorandum No. 2

1. This policy applies to CCAD employees, reserve and active military component units, contractors, and all tenant activities.
2. The purpose of this policy is to incorporate elements of the International Organization for Standardization (ISO) 14001 Environmental Management System into the existing management structure at CCAD.
3. Corpus Christi Army Depot's mission is to repair, rebuild, and maintain helicopters in support of our national defense. In accomplishing this mission, we commit to:
 - a. Comply with all applicable environmental policy, laws, and regulations.
 - b. Continually assess activities, products, and services to determine their effect on the environment. Identify the significant environmental impacts and insure that they are considered when establishing objectives and targets in our environmental management programs.
 - c. Identify potential sources of pollution and meet or exceed Army goals for prevention of pollution.
 - d. Strive to fully integrate relevant environmental requirements into our standard work practices and procedures so environmental awareness and compliance are a routine part of the way we conduct business.
 - e. Actively pursue continual improvement in organizational environmental management systems. Establish measures of performance to assist in assessing system effectiveness.
4. The Commander's Management Review process shall be the authority to set, review and update the environmental policy, conduct annual reviews of the EMS program, and provide direction to the environmental program.
5. This policy will be given widest dissemination, posted in all shop bulletin boards, and the CCAD Intranet. This policy will be made available to the public upon request through CCAD's Public Affairs Office at 361-961-3627 and on CCAD's website www.ccad.army.mil.

TIMOTHY A. SASSENATH
Colonel, AV
Commanding
